الكيمائيات الصناعية المتحدة
UNITED INDUSTRIAL CHEMICALS

FROM THE GENERAL MANAGER'S DESK

As per Vision 2030 of Saudi Government, Non Oil sector will be the major contributor to the National Economy in the near future.

Keeping in view all facts and figures of National economic plan it is imperative to develop trading, services and manufacturing facilities in Saudi Arabia through Joint ventures with the international players of these sectors.

Trading, services & manufacturing of NON OIL products has the necessary potential to become the engine of change of the economy of Saudi Arabia.

Portfolio of UNITED INDUSTRIAL CHEMICALS (UIC) as a group of different business units is rich with services and supplies to high profile projects in GCC, clients around KSA and valued principal suppliers/partners spread across the globe.

UIC provides quality products, standardized services and on-time secured deliveries through environment friendly ways to the small, medium and giant industrial concerns/projects.

Our cutting edge services equipped with modernized warehousing and manufacturing facilities meets the evolving needs of the market and project our vision for a stronger and more prosperous Saudi Arabia.

We are now ready to bring further world-class services and products to Saudi Arabian market in collaboration with renowned partners from different parts of the world.

Othman Z. Al Othman
General Manager

An ISO 9001:2008 Certified Organization

1. Normal Butanol
2. Isobutanol
3. Methanol
4. Acetic Acid
5. Vinyl Acetate Monomer (VAM)
6. Ethyl Acetate
7. Butain Diol (BDO)
8. Tetra Hydrofuron (THF)
9. Maleic Anhydride(MAn)
10. Formaldehyde
11. Urea Formaldehyde
12. Sodium Format
13. Hydrochloric Acid
14. Caustic Soda Liquid
15. Caustic Soda Flakes
16. Caustic Soda Prills
17. Sodium Hypochlorite
18. Liquid Chlorine
19. Heavy & light white Oil
20. Thermoplastic Road Marking Paint

IMPORT

The company has associations with internationally renowned manufacturers across Europe, UK, USA, China and the Indian Subcontinent, thereby positioned to provide high quality and competitively priced chemicals to various industries within KSA.

1. Ethanol 99.9%
2. Acetic Acid
3. Hydrochloric Acid
4. Methanol
5. Sodium Hypochlorite
